Volunteer Driver Requirements and Registration

Dear Volunteer,

Your willingness to use your vehicle to transport students on a school-related function is very much appreciated. Our plan is to someday purchase a van that would be large enough to accommodate our students on most school related trips. At this time, however, it is necessary that we use private vehicles to transport our students.

To ensure the safety of all students, we are required to have our volunteer drivers meet the following conditions:

- Be at least 21 years of age and have a valid Driver's License that has not been suspended or revoked for any reason.
- Not have received any DUI violations (driving under the influence of alcohol or drug).
- Have no felony convictions.
- Have insurance coverage with a minimum of:
 - \$100,000 per person/ \$300,000 per occurrence for bodily injury, (\$500,000 for vehicle with more than 5 passengers)
 - \$50,000 property damage per occurrence
 - \$5,000 per person for medical payment
- Drive a safe vehicle and have as many passenger seat belts as passengers

VOLUNTEER DRIVER REGISTRATION

(In order to drive, you must complete this form)

I certify the above information is correct and the insurance coverage on the above vehicle is in force. I further certify that the above vehicle is mechanically safe. I authorize the School to check my driver's record. I understand that I must have liability insurance coverage in force in the amounts specified and agree to advise the School, in writing, of any changes in the above information. I further understand that, unless otherwise directed, I must proceed directly to and from the field trip destination, and that no unauthorized stop shall be made. I will respect and comply with all traffic and safety laws.

I understand that when driving my own vehicle on school related business, including field trips, and I am involved in an accident, my insurance is used first. The school insurance policy would be used only if my policy limits have been exceeded. I further agree that for any amounts exceeding both of these policy's limits, I will indemnify and hold harmless the school and its teachers, staff, and administrators from any and all liability, damages, claims, costs, and expenses resulting from or related to the use of my vehicle to transport students. The School does not cover, nor is responsible for, comprehensive and collision damage to my vehicle.

I have read and understood the Volunteer Driver Requirements and the Field Trip Policy. I have submitted a copy of my driver's license and insurance card.
